

“NO TAX HIKE” RALLY

Are you taxed enough? Let your elected officials know!

Join us on the first day of the Special Session to send a message LOUD AND CLEAR to Martin O’Malley and the General Assembly that Marylanders do not support a tax hike. Bring your family, friends, neighbors, co-workers, and classmates! The bigger the turnout, the better! Mark your calendar now!

Every Marylander is being targeted for O’Malley’s massive tax hike.

O’MALLEY’S

MASSIVE

TAX HIKE

- 🍷 Increases the gasoline tax
- 🍷 Increases the sales tax by 20%
- 🍷 Applies the sales tax to services
- 🍷 Increases the income tax
- 🍷 Increases the car titling tax
- 🍷 Increases the cigarette tax by 100%
- 🍷 Increases the corporate tax by 14%
- 🍷 Creates new commercial real estate taxes

If passed, this will be the largest tax hike in Maryland history! The bottom line: the state government has a spending problem, not a revenue problem! If working families need to work within their means, so should the state government.
